

### Financial Sanctions Processing Overview

Cardinal Financial Sanctions processing allows you to identify, review and update Commonwealth vendors on the federal Financial Sanctions List using a two-step process:

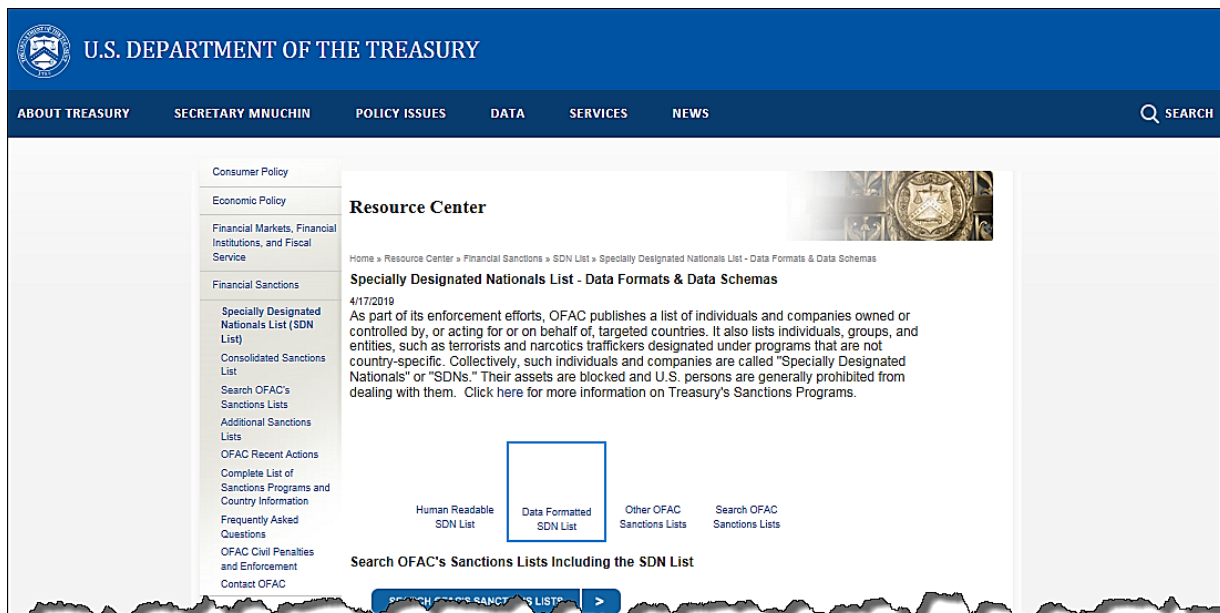

1. Load the updated U.S. Department of Treasury Financial Sanctions List.
2. Review suppliers on the report and update.

3. Select **Save target as** and place the file on your computer. Do not change the file name.

4. Log into Cardinal.
5. Navigate to the **User File Upload Activity** page using the following path:

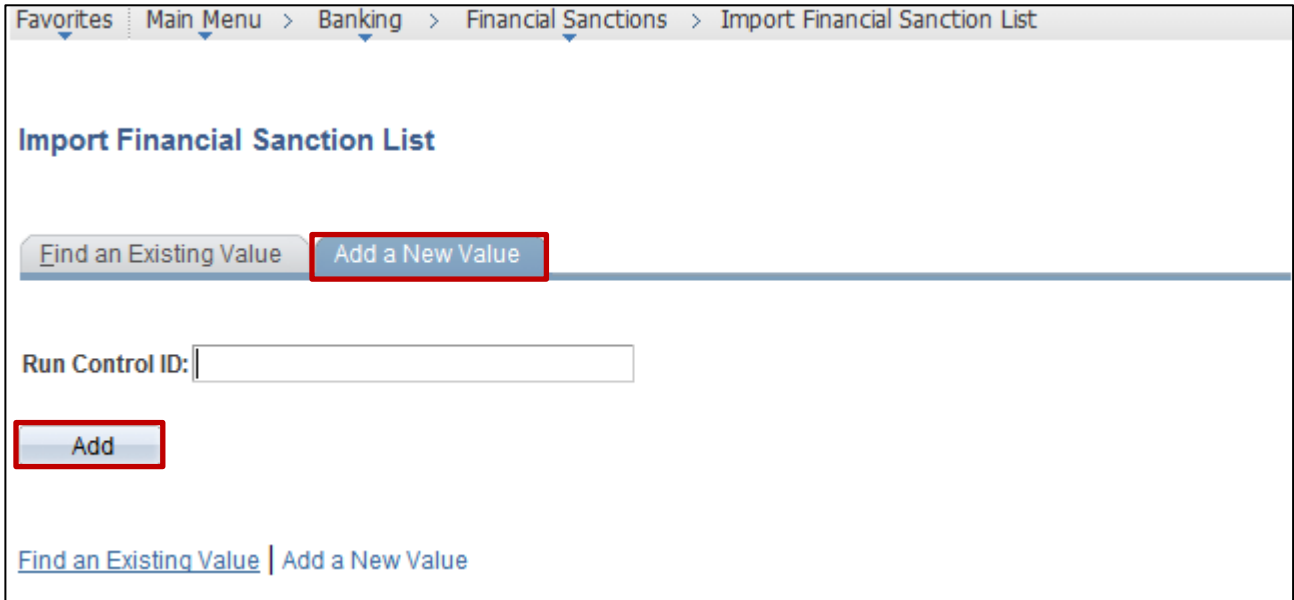

**Cardinal Interfaces > Utilities > User File Upload**

6. Enter the path and folder information in the **Target Directory** box:  
**/ntshare/apps/psoft/interface/FINPRD/processing/AP21**
7. Click the **Add** button
8. Browse to select the financial sanctions file (**SDN.XML**) that you saved to your computer and click the **Upload** button.
9. Once the file has been selected, select the **Copy to Target Directory** button to save file in the Cardinal folder.

10. Navigate to the **Import Financial Sanction List** page using the following path:

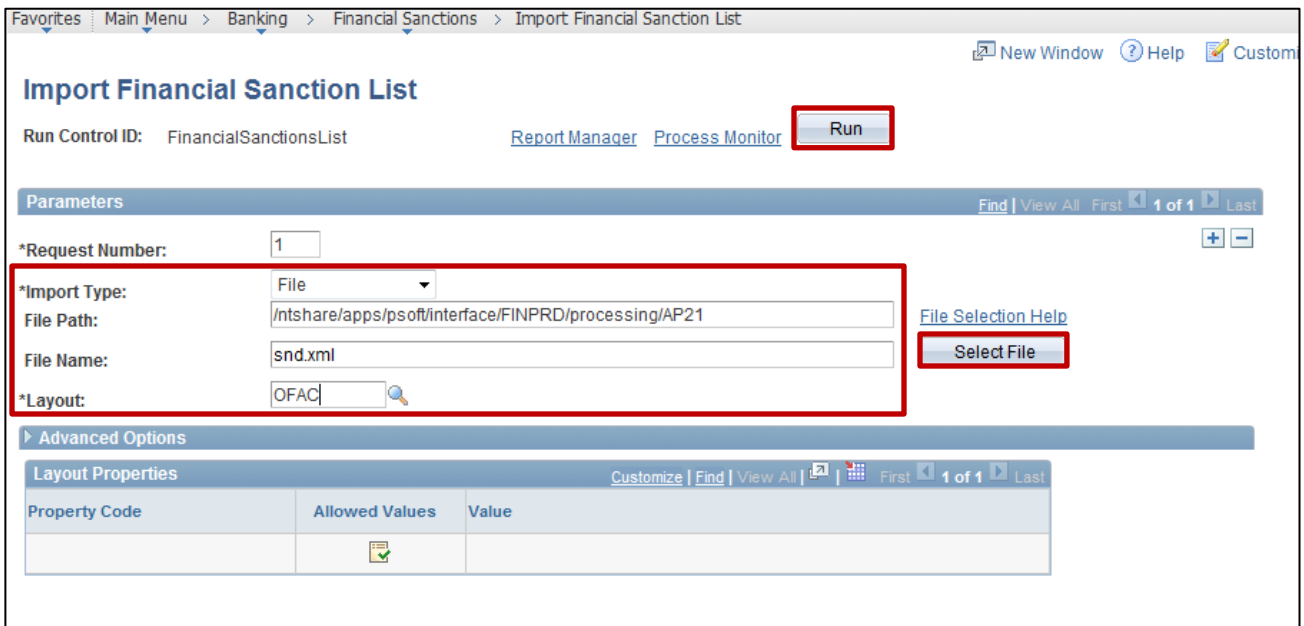

**Banking > Financial Sanctions > Import Financial Sanctions List**

11. If you have never run this before, enter **Run Control ID** (FinancialSanctionsList) on the **Add a New Value** tab. Once you create a **Run Control ID**, it can never be deleted.

You can use the same **Run Control ID** for whenever you run the Financial Sanctions List. Always use the original **Run Control ID** after the initial creation. **Search** for and select the **Run Control ID** on the **Find an Existing Value** tab.

12. Click the **Add** button when initially creating the **Run Control ID** on the **Add a New Value** tab.  
Click the **Run Control ID** from the **Search** list on the **Find an Existing Value** tab.

13. Verify the **Import Type** is **File**.
  14. Enter **File Path** to the financial sanctions file (i.e., **/ntshare/apps/psoft/interface/FINPRD/processing/AP21**).
  15. Click the **Select File** button.
  16. Choose the **snd.xml** file.
  17. Enter **OFAC** as **Layout**.
- Note for steps 12-16:** You will not need to repeat these steps after these have been initially completed. You will only need to review the data after that point to confirm accuracy.
18. Click the **Run** button. This opens the **Process Scheduler** page.
  19. Click **Ok**.
  20. Click the **Process Monitor** hyperlink and verify the process has run successfully with a **Run Status** of **Success** and **Distribution Status** of **Posted**.
  21. For full Quarterly Financial Sanctions processing:
    - a. Submit a request to the Help Desk (by Monday)
    - b. Request that the full Financial Sanctions validation process be run the upcoming weekend

We recommend that this process be run over the weekend because of the resources required. It compares every Cardinal vendor to those on the Financial Sanctions List.

### Financial Sanctions Review

- To view vendors that are in Financial Sanctions Review status, navigate to the **Financial Sanctions Validation Log** using the following path:

**Vendor > Vendor Information > Maintain > Financial Sanctions Validation Log**

Favorites | Main Menu > Vendors > Vendor Information > Maintain > Fin Sanctions Validation Log

New Window | Help | Cus

4. If information is not an exact match, then the hit can qualify as a non-match and the vendor's Financial Sanction status should be changed to **Cleared**.
5. Enter **90** as **Days before next validation**.
6. Click the **Save** button.
7. If the information is an exact match, then contact the Office of Foreign Assets Control (OFAC) to confirm if the vendor status should be changed to **Blocked**.
8. Call OFAC hotline at 1-800-540-6322. Check online to confirm the number has not changed.
9. If OFAC agrees, it is recommended by the US Treasury to always contact OFAC prior to blocking a vendor, change status to **Blocked**.
10. Click the **Save** button.
